<https://github.com/Oluotanmi>

Highly experienced and proficient React developer with a strong track record of creating sophisticated, efficient, and scalable web applications. Skilled in utilizing best practices and state-of-the-art frameworks, I deliver high-quality and user-centric experiences. My expertise includes working with modern JavaScript libraries, integrating RESTful APIs, optimizing performance, and ensuring cross-browser compatibility. I excel at writing clean, maintainable code, and have a deep understanding of component-based architecture. With a proactive approach to problem-solving and a keen eye for detail, I consistently contribute to the success of projects, enhancing both functionality and user

SKILLS & ABILITIES

React , Angular, Vue || Tailwind || Redux || JavaScript || CSS || HTML

Conducted in-depth research projects analyzing market trends and economic indicators, leading to the creation of comprehensive reports for senior faculty members.

- Collaborated with classmates to present findings from economic case studies, fostering a dynamic learning environment and encouraging critical thinking among peers.
- Demonstrated proficiency in statistical analysis software, utilizing data visualization techniques to effectively communicate complex economic concepts to diverse audiences.
- Applied economic theory to real-world scenarios through internship experiences, gaining hands-on experience in financial modelling and forecasting techniques

EDUCATION

OLABISI ONABANJO UNIVERSITY OGUN STATE ,NIGERIA

2020 - 2024 : (B.sc)-Bachelor`s degree in Economics

COMMUNICATION

I excel in explaining technical concepts in a simple manner, making you a valuable bridge between developers, designers, and non-technical stakeholders. My ability to listen actively, provide constructive feedback, and adapt my communication style ensures smooth collaboration and project success.

LEADERSHIP

My leadership skills enable me to guide teams with confidence, fostering a collaborative and productive work environment. I excel at setting clear goals, delegating tasks effectively, and motivating team members to achieve their best performance.
